

## Traverse short for Wind Transmitters Compact

### Specification

Part number: 4.3171.4x.000

#### Material

Traverse aluminium (AlMgSi0.5)

Gripping clamb stainless steel

#### General

Sensor distance horizontal 0.4 m

Weight 0.3 kg

Mounting hole  $\varnothing$  29 mm

### Versions

As per 4.3171.4x.000, but:

Product number 4.3171.40.000

#### General

Mounting at mast tube  $\varnothing$  48 ... 102 mm

Product number 4.3171.41.000

#### General

Mounting at mast tube  $\varnothing$  116 ... 200 mm

### Accessories

Product	Product name	Brief description
---------	--------------	-------------------

Lightning Rod  
506351

for traverse 4.3171.30/31/40/41

**General**

Height 560 mm

Mounting for traverse 4.317.30/31/40/41

Material steel, galvanised

Weight 0.34 kg
